

Supposed auction notice

I shall sell at public auction in Tranquil Hall on Tuesday next 22nd inst, my man George, commonly called George Latimer, a very valuable hand he having been accustomed to all descriptions of work in my house and store. I have refused six hundred dollars in cash for him since I have been in this city. Said George is a handsome man in appearance, ~~and~~ being nearly white, and of correct deportment. His morals and piety are unquestionable as he has been educated in my own family

I am positive as I intend leaving the city and have no further use for him.

Also will be leased ^{on conditions made known at the} ~~at the~~ same time and place the services of a well known attorney of this city
James B. Gray
